

2/17/66 - Sen. F.A. Rab. Hugo - Taylor. After
 his deliberate attack on those who question
 the policy in Asia from yesterday, Maj.
 Taylor long interrupted more during the
 hearing, persistently, during his presentation
 of Mr. Taylor. Then, when his turn came,
 he spent most of his time discussing the
 old records of the military units now
 fighting in V.N. It got to be such a
 cheap & denouncing appeal to false
 patriotism, such open championing
 of much an unwholesome approach to the

problem under discussion that, while
 just sitting back and saying "yes,
 sir" in response to long speeches,
 he laughed openly.
